### Playoff Information

#### Round #1

The first round takes the top four from each division. It will be a 2-night, Home and Home with the better seed having the choice of which week to play at home. The match is 1st to 22. The first night is played with one entire 21 point sheet, the remainder is played the second night. Should a match be tied 21-21, the tie break is a 5-man 1001 game for which the rules are in the rulebook.

*Seed #4 plays Seed #1 -- Seed #3 plays Seed #2*

#### Monday Finals

The Monday finals follows the same format as Round #1, with the better seed choosing which night to play at home. Should a match be tied 21-21, the tie break is a 5-man 1001 game for which the rules are in the rulebook.

#### Grand Championship

The A-Division Monday champion plays the A-Division Wednesday champion, and the same happens in B. The first night takes place on Monday at the Monday sponsor and the second night takes place on Wednesday at the Wednesday sponsor.

#### Consolation Bracket

A lot of teams asked about playing a consolation bracket for those who did not make the playoffs. We will make a bracket and we strongly encourage all teams to play both to help the sponsors and play more darts!

### General Reminders

- ❖ **Playoff stats will now be kept so send in sheets after each night of a match.**
- ❖ **There is very little wiggle room on the timing with the party venue, so try hard to get matches played.**
